

SCHOLARSHIP PROGRAM

The Missouri Conservation Agents Association is accepting scholarship applications for students interested pursuing Biology or Conservation related degrees. Preference is given to those with an interest in becoming a Missouri Conservation Agent.

Two \$1,000 scholarships will be awarded to qualifying students each academic year.

Applications and additional information can be found at www.moagent.com/wp/scholarship/ or by contacting your local Conservation Agent.

Completed applications should be postmarked by February 1st and mailed to:
